

Fingal County Council Present

# Tattered Outlaws of History

## Skerries Martello Tower

Artists **Dan Dubowitz** and **Fearghus Ó Conchúir** use film and choreography to create this 12 screen site specific installation that explores Fingal's 12 martello towers, their relationship to the landscape and their connections to each other.

We request the pleasure of your company for refreshments and music to mark the opening of this exhibition.

**July 16th 6pm - 9pm**  
**Skerries Martello Tower**

The installation is open to the public every Saturday and Sunday from **18th July** to the **30th August** between **2 pm** and **5pm**
